

Los Alamitos Trunk Sewer Project

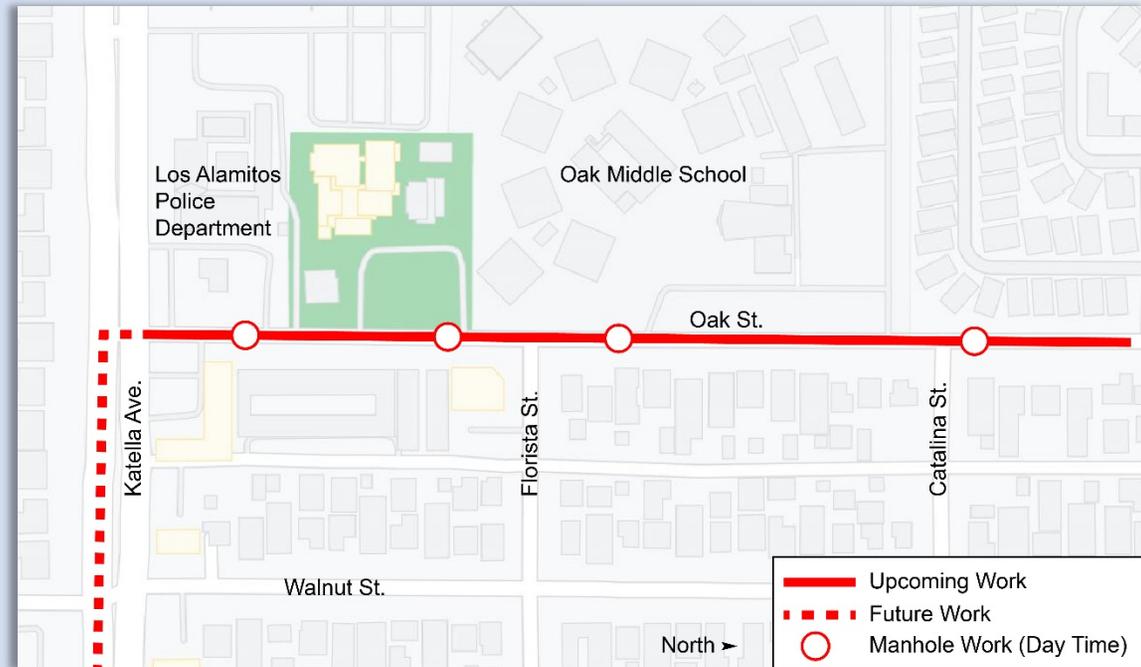

Location: Oak St. from Sausalito St. to Katella Ave. in Los Alamitos

Construction Activity

As part of the sewer improvement project, OC San will be rehabilitating several manholes along Oak Street. To perform this work, potholing must first be done to identify the location of underground utilities. Once completed, it will be necessary to install beams for the shoring to excavate the area around the manholes. Traffic control will be utilized to designate the work area with flagmen on hand to direct traffic as work is occurring. Please exercise caution when traveling in the area and allow extra time to reach your destination.

What to Expect

- Lane closures
- Parking restrictions
- Increased noise level
- Potential dust
- Access to all homes will be maintained

Workdays and Times

- Week of June 13 – July 2022*
- Monday – Friday
- 7:30 a.m. – 4:30 p.m.

**Dates and times are subject to change due to operational factors or inclement weather.*
